Collecting & Handling Your Personal Information

This privacy policy has been designed to help you to understand how we collect, use, communicate, disclose, and otherwise make use of personal information. We have outlined our privacy policy below:

- Before or at the time of collecting personal information, we will identify the purposes for which information is being collected.
- We will collect and use personal information solely for fulfilling those purposes specified by us and for other ancillary purposes, unless we obtain the consent of the individual concerned or as required by law.
- Personal data should be relevant to the purposes for which it is to be used, and, to the extent necessary for those purposes, should be accurate, complete, and up-to-date.
- We will protect personal information by using reasonable security safeguards against loss or theft, as well as unauthorized access, disclosure, copying, use, or modification.
- We will make readily available to clients information about our policies and practices relating to the management of personal information.
- We will only retain personal information for as long as necessary for the fulfillment of those purposes.

We are committed to conducting our business in accordance with these principles in order to ensure the confidentiality of personal information is protected and maintained. We may change this privacy policy from time to time at our sole discretion.

If you have any questions or concerns regarding our Privacy Policy or the handling of your personal information, please contact us immediately. Your privacy and trust are of immense importance to us.
